Karen Renk Award

In her role as Executive Director, Karen Renk guided the Incentive Marketing Association, championed the business case for incentives and mentored a wide group of individuals for the betterment of the industry and the association. She was known for qualities including Mentorship, Character, Collaboration and Professionalism.

The Karen Renk Award will be presented to the IMA member who best exemplifies these qualities in service to the association, either through their work within the organization or through outreach to the community at large. The award winner will receive:

- Paid registration for the IMA Summit
- Two nights paid accommodation during the IMA Summit
- Bio and article to be included on the IMA website
- Creation and circulation of a press release highlighting the winner, the award, and the legacy
- Award recipients will be recognized as a Renk Fellow
